Thanks so much for joining our Cards 4 Kids program! Please read this thoroughly and visit our [website](#) to get some ideas of the many different types of cards you can make. Below is a list of places that our Cards 4 Kids Volunteers have gone to get supplies:

- ✓ [KittyKraft.com](#)
- ✓ [Michael's](#)
- ✓ [Joanne's](#)
- ✓ [Walmart](#)
- ✓ [Targets](#)

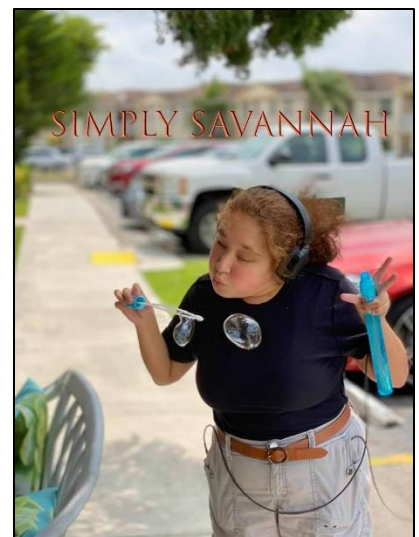

All of these stores have special departments for Arts & Crafts. PERFECT for creating cards for the program! Most of them are reasonably priced.

Here's a list of cards that you can make:

- ✓ "Good Luck!" Cards
- ✓ Birthday Cards
- ✓ Positive Affirmations (*You can do it! You're great!; Never Give up!; We're here for you!; We Love you!;* etc. **Be creative!**)
- ✓ Cheer Up! Cards
- ✓ Seasonal Cards (*Happy Spring! Happy Summer!*)
- ✓ Holiday Cards (*Merry Christmas, Happy Halloween, Valentine's Day, Happy Easter, etc.!*)
- ✓ Cards in different languages! (*Make sure you translate it underneath!*)

Note: We found that it is best to stay away from "Get Well Soon" type cards. The reason being we do not want the children/people to think or focus on "Why" they are at the Hospital. So, No "Get Well!" Cards! Thank you for understanding!

Children and Adults who need an extra smile will be receiving your wonderful cards! (Few examples below)

- *Special Needs Children*
- *Kids and Adults that need a smile on their face today! =D*
