

VOLUNTEER ONE INC. On-Line Membership Policy:

We do not charge for Community Service Hours.

We charge a monthly Processing fee to those requesting our continuous supervision service (keeping track of their Hours using one of our Volunteer Programs) until they have completed their required Community Service Hours. We will then send them a completed Statement of how many hours they have successfully completed and from which Program. You will also receive a Certificate of completion.

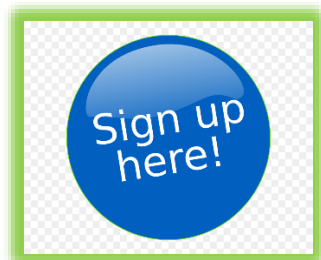

If you do not require supervised Community Service Hours and the services we provide, there is no fee.

By joining, you are requesting Volunteer One to supervise your community service hours.

- ✚ Our Membership: As many hours as you complete and request us to Supervise and Process Monthly, you will receive a Digital Statement of Completion along with a Certificate of Completion for the Community Service Hours for that month.
- ✚ You will also receive News Letters, Volunteer Opportunities and Volunteers in your Area.
- ✚ Finished? Need more Supervised Community Service Hours? Start again! Receiving another Statement/Certificate of Completion etc. Sign up again using your Membership Digital ID# and small monthly Processing Fee.
